

Eyes have it

As you prepare for back-to-school, remember that in God's eyes we are all equal. Together, as a group, make a mural of eyes.

You will need:

Markers or crayons

Sheets or a roll of paper

To do:

Help the children draw their pair of eyes on the paper. Provide colorful markers for each child to personalize their own pair of eyes. If you've used individual sheets of paper, place them on your wall or bulletin board. If you've used a large roll of paper, hang it where the children can see it at eye level. Across the top, print:

IN GOD'S EYES WE ARE ALL EQUAL.
